Those whose names are inscribed on the plaques or tablets on the walls in our sanctuary will have their *yahrzeit* (anniversary of death based on the Hebrew calendar) observed in the following manner:

- A card is mailed to the purchaser each year as a reminder of the *yahrzeit* date.
- The memorial lights next to the plaque are lit during the week of the *yahrzeit* and on all the days when *Yizkor* is recited - *Yom Kippur*, *Shemini Atzeret*, the eighth day of *Pesach* & the second day of *Shavuot*.
- The names are automatically included in our synagogue's Book of Remembrance which is distributed on *Yom Kippur*.

Please call the synagogue office to obtain an order form. Return your completed form with your check for the total purchase amount to the synagogue office.

*May the memory of our loved ones serve as a continuing inspiration to those who cherished them.*
