

Cemetery Rates as of 1/1/09

Consistent with a long standing policy of setting our Temple Israel plot/grave rates to a level of approximately 20% under the Beth El & Cedar Park Cemeteries 'available to the public' prices, early last year the board of directors voted and approved burial property prices for the 2008 year that were identical to the rates charged in 2007.

Traditionally, rates at Beth El/Cedar Park are set on or around the first of the year; therefore, Temple Israel's price structure will be reviewed again in the first quarter of 2009. If the cemetery elects to hold 2008 prices, Temple Israel will do the same. If increases are established by Beth El/Cedar Park Cemetery, the board of directors of Temple Israel will discuss and ultimately vote on the merits of price adjustments. Listed below is the current price list for burial grounds in our Beth El, Block 7 property.

Plot Size

Single Grave	\$ 1,280.00
Double Grave	\$ 5,400.00
4 Grave Plot	\$ 8,000.00
6 Grave Plot	\$ 9,700.00
8 Grave Plot	\$14,500.00

As of this time, our inventory of 4 and 6 grave configurations is low when compared to 1 and 2 grave locations. If any Temple Israel family is considering a purchase of a multi grave configuration of 4, 6 or even 8 graves, the time to consider buying a family plot is now. Extended payment plans are available for all but single grave sales.

If any synagogue member wishes to discuss cemetery property availability, rates and conditions concerning ownership of single or multi grave configurations, please feel free to contact me during evening hours at my home phone number, 201 652 1986, or by e-mail to edobkins1@aol.com
