

Sisterhood

Wine*, Chocolate & Chat

Tuesday, Feb. 9 at 8 pm

A **mystery** event!

If you took 5 chocolates from a box which contained 21 chocolates, how many chocolates would you have?

Solve the riddle and contact Arlene at sisterhoodevents@synagogue.org. You'll then get a password so you can pick up your bag of mystery chocolates.

We'll be sampling our mystery chocolates together and guessing what they are.

Supply of mystery chocolates is limited, so RSVP early.

Zoom info will be provided when you obtain the password.

* Please provide your own wine or beverage of choice during our meeting
